Important

Please may we remind all parents/carers that if your child is unwell you must call the school preferably before 9.15am (you can leave a message on the phone at any time). You must call the school EVERYDAY your child is unwell unless it is vomiting/diarrhoea and we have already been informed. Your child must stay off for 48Hours from the last episode of vomiting or diarrhoea. Also if your child has any any appointments during the day, you must let the office know what time you will be collecting them in order that we can arrange for them to have their lunch first if necessary. Please also note we require proof of medical appointments for our files. Thank you for your cooperation.

CSA News

The minutes from our recent CSA meeting have been sent by parent hub today for your information. They are also available to view on the school website.

We are still raising money from the local community for the defibrillator which will be a community resource housed outside the school. Our local leaflet drop precipitated a good deal of interest raising £345. We are organising another drop before closing the appeal on the 3rd of May. The summer fair team are hard at work organising what promises to be a fantastic event. The team are keen to hear from anyone or any local business who would like to advertise. Donations for the raffle and auction are also greatly appreciated - please contact Abby Watts abbywatts76@gmail.com for more information.

The annual Carlisle goes camping event is on the 13th of July this year. Simone Best (Penguin class) has kindly volunteered to organise. If you would like to help Simone would be very grateful, please e-mail carliseschoolassociation@gmail.com

The attached flyer has been produced to bring to life the work the CSA is doing and to highlight the fundraising goal of a new library for the school. Thank you again for your help and support, without which none of these initiatives would be possible.

Finally we are looking for volunteers to join the CSA committee for next year and help us to continue fund raising on behalf of the school. If you are interested please e-mail carliseschoolassociation@gmail.com or contact your class rep.

Best wishes from the CSA

Have-a-go!

Instrumental Event, Thursday 13 June, HHJS,
3.30-4.15pm

For Year 2 children joining HHJS in September 2019
Confused by which instrument to learn?

Take part in **Have-a-go!**

Have-a-go! at HHJS is for all children, accompanied by their parents/carers, who are interested in starting a new instrument or continuing an existing one at Hampton Hill Junior School

You can try out as many instruments as you like to discover which one suits you best and meet both our Visiting Instrumental Teachers and current pupils, who will be on hand to support you, demonstrate and answer your questions.

You will be able to take away a pack in order to apply for lessons to start in September at HHJS. You do not need to book in advance and younger siblings are welcome to attend.

As our pupils and Visiting Music Teachers will spend time individually with children, showing them how to hold and produce a sound on each instrument, it is possible that you may have to wait to try out instruments, but the wait should be worth it!

Please enter the event via the playground gates where you will be registered before taking part.

We look forward to seeing you at **Have-a-go!**

CSA FUNDRAISING

**SOME OF THE RESOURCES YOUR FUNDS
HAVE PROVIDED THIS YEAR INCLUDE:**

New Library Books

Christmas Pantomime

Behaviour Workshop

THE CSA HAS COMMITTED TO FUNDING:

Maths Resources

New Classroom Furniture

Life-saving Defibrillator

**AND WITH FUNDS FROM THE UPCOMING SUMMER FAIR AND OTHER EVENTS,
WE HOPE TO PROVIDE AN EXCITING NEW LIBRARY ENVIRONMENT!**

THANK YOU FOR SUPPORTING YOUR SCHOOL!

Our school is raising funds for a **DEFIBRILLATOR** which could not only save the life of someone at the school, but also someone in the local **COMMUNITY**.

The children of Carlisle School and the Carlisle School Association have already raised £672 which is enough money to purchase the defibrillator. However, in order to make it accessible to the wider community 24/7, we need additional funds to safely store it outside the school. We are hoping to raise a further £1,000 to enable us to purchase and install the defibrillator as soon as possible. Any donations from the community will be gratefully received.

If you can, kindly donate via our MyDonate Fundraising page (please remember to claim GiftAid if applicable).

We thank you for your support and look forward to being able to offer the use this lifesaving device to our neighbours.
