

Year Two Spelling Tasks

Task 1

Find each of the words from your spelling list in the dictionary. Read the definition and check what type of word it is, e.g. noun, verb, adjective etc.

Task 2

Write a sentence for each of the words from your spelling list. Can you include more than one word from your list in a sentence?
They could be funny or nonsense sentences just make sure you use the correct punctuation.

Task 3

Find five more words with the spelling pattern you have been learning about this week. Using a dictionary find out what they mean and write a short story that includes all of the new words you have found.
