Dear Parents and Carers,

We are writing today to confirm that Carlisle Infant School will continue to remain open until advised otherwise by officials. Please remember that all communications from school will be sent out via parenthub. We also have a dedicated corona update page on our website;

<https://www.carlisleinfantschool.co.uk/page/?title=Carlisle+Infant+School&pid=2>

Please follow the guidelines contained in the following link if your child develops either a new or persistent cough or high temperature;

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-people-with-confirmed-or-possible-coronavirus-covid-19-infection>

Please also be mindful of the NHS guidelines on how to avoid catching or spreading the infection;

Do

- wash your hands with soap and water often – do this for at least 20 seconds
- always wash your hands when you get home or into work
- use hand sanitiser gel if soap and water are not available
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards
- try to avoid close contact with people who are unwell

Don't

- do not touch your eyes, nose or mouth if your hands are not clean

We have been advised to not send work home if your child needs to self-isolate for 7 days. However if your child does start to feel better they could access child their Active Learn/Mathletics website.

Yours sincerely,

Mrs Zoe Brittain
Headteacher
