Deputy Head: Mrs A Appleyard BAQTS

24th March 2020

Dear Parents/carers,

During these uncertain times it is so important to keep up the fantastic community spirit that we share with you, our Carlisle families.

As communication is key, below are the different ways we will be using to keep in contact with you.

Learning grid

This explains the suggested learning for the children to complete at home. There are elements that will stay consistent and new learning that will be specifically added weekly/fortnightly. This will be completed by the Year Group Leaders. It will be added to the school website and also sent as an attachment to you via Parenthub.

Class happy newspaper

This will be an informal letter to engage with you and your child on a weekly basis. It will be sent through Parenthub on Mondays. Please encourage anyone who does not have this app to download it.

Email communication

Please continue to email school via info@carlisle.richmond.sch.uk.

Any emails which are admin queries (such as log ins and passwords) will be answered by the office staff.

Any other emails will be forwarded to class teachers, these may include sharing your home learning, photographs and any news that you wish to share from home. These will be answered by teachers during working hours. If emailing please state the name of your child (if you are happy to do so) and their class teacher in the subject heading.

Thank you for your continued support and understanding during this time, we know that this may be a difficult time for you and your family. Above all we hope that you stay safe and healthy and that this time spent at home with your child is productive and enjoyable.

David Wells
Deputy Headteacher
