### Message From Mrs Brittain—Headteacher

Dear Parents and Carers,

I would like to start this newsletter by saying a huge thank you to the incredible team of staff at Carlisle who have worked so hard, to put together home learning packs for the children and by coming in to school to continue to provide childcare for the children of keyworkers.

From Monday, the class teachers will be sending out a weekly happy newsletter via parenthub to stay in contact with their class. There will also be a 'learning grid' which will be completed by the year group leaders which will explain the suggested learning for the children to complete at home. This will be added to the school website and also sent out via parenthub on either a weekly or fortnightly basis. If you have news you would like to share with the class teacher or have any questions related to your child's learning, you can email the school office at [info@carlisle.richmond.sch.uk](mailto:info@carlisle.richmond.sch.uk) and we will get back to you as soon as we are able to.

As we are adapting to new routines, which for many of you will include

learning with your children at home, we will try and support as much as we can by sharing ideas and links which we hope will be useful. My daughter is enjoying the 30 day lego challenge something to look at if you haven't seen it yet. Just google, free 30day lego challenge for information.

Lee from Boundless Dance is going to be going live every weekday at 3pm on facebook - [www.facebook.com/boundlessdancecompany](https://www.facebook.com/boundlessdancecompany) delivering around 5 minutes of dance movement to motivate the children and yourself and also Don Rae (dancing with Don) <https://www.donraeacademy.com/>

Finally, I would like to wish you all a safe and happy week ahead. While the sun is shining, make the most of time outside with the children. At Carlisle the playground is covered in rainbows and happy messages-we would love to see some from children at home.

Zoe Brittain
