Message From Mrs Brittain-Head teacher

Dear Parents,

I hope you and your families are all keeping well and managed to enjoy some of the Christmas break. This is a strange start to the Spring term and certainly not the one we had hoped for. The staff and I are missing seeing your children's smiles and really hope we are able to welcome you all back into school again very soon. The staff have worked incredibly hard ensuring remote learning and keyworker school were both ready to start on 5th January.

It was wonderful to see so many happy faces in our assembly on Tuesday morning. Apologies if you were unable to join, we are looking into why this happened and hopefully it will be sorted by tomorrow. If you do want to watch the assembly, it has now been recorded and posted on your child's google classroom stream. Please tune into our live assembly every Tuesday and Friday at 10am.

Managing learning at home can be a real challenge, remember to be kind to yourself and break your child's learning into manageable chunks. If you need

support with your child's learning do get in touch with your child's class teacher through info@carlisle.richmond.sch.uk

Finally a huge thank you to the CSA as our outside stage area now has a wonderful new roof, transforming this area into an outdoor classroom for all our children to use.

Stay safe and keep smiling!

Zoe Brittain

Breakfast Club & Cool Milk

Please note that all breakfast club bookings for this first half term have been cancelled and you will not be charged.

Any cool milk orders have also been cancelled and no payment will be taken.

Afterschool Clubs

Unfortunately as there will be no afterschool clubs running this half term, any parents who have signed up for a club will receive a message from the club regarding further plans. We believe that Boundless Dance, Little Voices and possibly Tiny Bakers are going to offer their club as an online option. Please contact them directly if you have any questions.

We will keep all parents updated with regards to clubs.
