### **Message From Mrs Brittain-Head teacher**

Dear Parents,

Hope you and your families are all well. We are now into our second week of keyworker school and home learning and I am so impressed by everyone's flexibility and resilience. I've been thinking a lot about how we can support families and each other through this time and here are my top three tips to surviving home schooling.

1. Make time to be outside or active every day. Even 5-10 minutes makes a difference.
2. Try and do some learning every day. Keep activities short and practical.

Most importantly, do something you enjoy together.

Hopefully soon our school community will be back together again! Take care

Zoe Brittain

### **Hot Lunches**

Hot lunches will resume from next week for our children attending school at the moment. It is a temporary menu and can be viewed on the next page.

### **Google Classroom**

Please note all log in details were sent individually to each parent via Parenthub. Please email the school if you do not have log in details for your child.

**On another note, please can all parents ensure their child is linked to their Parenthub account as sometimes we need to send a direct message to a parent and are not able to if your child is not linked.**

We have been advised that the problem with the 100 participant limit for our assemblies has now been resolved and there should be 250 spaces available to join our online assembly every Tuesday & Friday. Please join in tomorrow at 10am so we can test it.

### **Breakfast Club & Cool Milk**

Please note that all breakfast club bookings for this first half term have been cancelled and you will not be charged.

Any cool milk orders have also been cancelled and no payment will be taken.

### **Afterschool Clubs**

As there will be no afterschool clubs running this half term, any parents who have signed up for a club will receive a message from the club regarding further plans. We believe that Boundless Dance, Little Voices and possibly Tiny Bakers are going to offer their club as an online option. Please contact them directly if you have any questions. We will keep all parents updated with regards to clubs.
