### Message From Mrs Brittain-Head teacher

Dear Parents,

I hope you all had a happy and healthy half-term. As school returns, I would like to remind you that face coverings must be worn on the school site unless you are exempt. Please keep following the one way system, if and when guidelines change, I will update you.

This is Child Safety Week and in our assembly on Monday, we looked at safety at home, out and about and helping others to be safe as well as how and when to call 999. The following link gives further advice for parents

<https://www.capt.org.uk/pages/category/child-safety-week>

This week we were delighted to host an Emotional Welfare Practitioner from the Emotional Health Service who delivered a session on feelings and how to manage these to all classes. The book called 'The Colour Monster' by Anna Lienas, was shared with the children, one I would recommend if you haven't

seen this already.

Hope you are enjoying the sunshine and please remember to send your child into school with a hat and a named water bottle. Please also apply sun cream before bringing into school.

### Naming School Uniform

Please can parents name **all items** of clothing, including shoes that are brought into school. We are finding so many items of un named clothing around the school. All items found, whether named or not, will be put in the lost property box at the front of the school.

### **Saturday 5 June – Sunday 13 June 2021**

The Churchyard around St James's Church (Between St James's Road, Park Road and St James's Avenue) is open to the public and is a haven for wildlife.

As part of 'Churches Count on Nature' week we are asking anyone, young or old, to visit throughout the week and note any animals or plants that they see. There will be a board in the church porch to record our spotting, and at the end of the week all our findings will be entered on a national database.

To help your exploration there will be information about wildlife on display and at these times there will be 'guides' around to identify what you find.

The BBC are running a competition for children aged 6-12 years to design a bee-friendly garden.

Around the UK, bees and other wild insects are in decline. There are many reasons for this, but it's partly because there are fewer of the flowers and plants that they need to survive.

Dear Parents and Carers,

Please remember that if any member of your household tests positive for Covid that you let the school office know to ensure we can take the appropriate action.

### Symptoms

- Anybody in the household has a persistent cough
- Anybody in the household has a temperature
- Anybody in the household has a change of taste or smell

Please remember that if **any member of your family needs to take a Covid test, then the whole household must isolate** until you have received the result. Please do not send other siblings into school. Also there only needs to be one symptom present before you are required to book a Covid test. Remember a high temperature of 37.8+, a continuous new cough, or loss of sense of smell or taste. Please always call 111 for advise if you are in any doubt.

### Junk Modelling Items

The Year 1 ALZ (Active Learning Zone) is requesting items for junk modelling. For example: cereal boxes, egg boxes, plastic yoghurt pots, milk bottle cartons etc. Please ensure all items are clean and drop off in the foyer at the front of the school. Thank you.

### Reminder

Please ensure your child has **everything** with them when they come into school **every morning**. This includes packed lunch, water bottle, book bag, coat, afterschool club items etc. The office is very busy and your child's items will not be taken straight to their classroom. Thank you for your cooperation.

## Promoting positive mental health

The Anna Freud Centre has prepared excellent resources for self-care over the summer holidays to help children, young people and their parents/carers.

Since the lockdown started back in March 2020, the impact on mental health and wellbeing for all has been significant. Vulnerable children and young people would need all the help they could get to come back to education in September with a sense of wellbeing. This resource is easily accessible and there is a crisis contact line families could use.
