### Message From Ms Brittain—Headteacher

Dear Parents and Carers,

It has been fabulous to see so many of our pupils excited about reading during World Book Day and the Year 1 Bedtime Story Event. A really big thank you to the CSA for organising the story swap and to all the families for donating books for this. Developing a love of reading is key to supporting your child in their learning across all areas so please do support this at home. I absolutely love discovering new children's picture books, one that arrived on my desk this week that I can recommend is *Out of the Blue* by Robert Tregoning, a great story for celebrating our differences.

Finally, a huge thank you to our admin team, Mrs Hale joined Mrs Baines in the office earlier this term and the pair of them are doing a fabulous job. If you don't already do follow us on Instagram, [carlisleinfantschoolinsta](https://www.instagram.com/carlisleinfantschoolinsta) to find out more about life in school, it really does give you an insight into how your children spend their day at school.

We are looking forward to our Dig Day this Saturday. Please come along.

Best wishes

Zoë Brittain

### Inconsiderate Parking!

### **Cases of measles are rising in London. Ensure your children are protected with two doses of the MMR vaccine.**

Measles spreads very easily among those who are unvaccinated, and can be a very unpleasant illness. In some cases, it can be serious – 1 in 5 children will need hospitalisation.

The best way to protect children against measles is to ensure that they have had two doses of the MMR vaccine.

To see if your child is up to date with their MMR vaccines, check your child's red book or contact your GP practice. If your child is not up to date, you can either book an appointment:

at your GP practice, or at a local vaccine clinic.

# RUN FOR SCHOOL

SPONSOR US

[justgiving.com/campaign/run4carlisle](https://justgiving.com/campaign/run4carlisle)

Sixteen brave runners from our Carlisle Community are running the local Hampton Court Palace 13.1 miles this March to raise funds for school!

School spending per pupil has remained at the same level in real terms since 2010, and costs are estimated to rise by 7% in 2023-2024 (source: IFS Annual Report on Education Spending in England, 2023).

The sponsored run will help provide funding for classroom essentials like scissors, pens, glue sticks, contributing towards school trips and other learning resources and funding larger scale projects like an outdoor classroom, play equipment and renovating the school's pond area.

Support the run by cheering them on, on the 24th March, or donate using the QR Code. Thank you for your support!
